JOINING INSTRUCTIONS: MBBS COURSE 2024-25

Dear Parents and Students,

Warm Greeting and Hearty Congratulations to you and your ward on securing admission to Government Medical College, Mumbai to the MBBS Course.

On behalf of faculty and staff of Government Medical College, Mumbai, I Dr. Jitendra Sankpal, Dean, welcome you to this Medical College which will be the First Government College in South Mumbai and affiliated to Maharashtra University of Health Science (MUHS), Nashik.

Our medical college will be run at Gokuldas Tejpal (G.T.) Hospital and Cama & Albles Hospital premises in South Mumbai which is a sprawling lush green beautiful campus with attached state of art tertiary care hospital having excellent educational ambience. To begin with 50 students admitted this year. The intake will be double in next year.

Our Medical college is located at Mahapalika Marg, Fort, Mumbai - 400001 (Near Azad Maidan Police Station, Dhobi Talao, Chhatrapati Shivaji Terminus Area).

The college has spacious smart class rooms and practical halls equipped with modern AV aids. We have excellent library with text and reference books, national and international journals and digital library with online learning resources and all other facilities to enable quality higher medical education.

Next year college will run recognized post graduate (MD/MS) courses. The college strictly follows the National Medical Commission (NMC) regulation for Under graduate medical education in term of faculty requirement, curricula, teaching programs and assessment procedures.

The recognition status and other information regarding the college is displayed on the college website at <https://gmcmumbai.org/> and all students and parents / guardians are advised to keep abreast of the college information which will be displayed from time to time on the website.

A new MBBS Competency Based Medical Education (CBME) Curriculum has been implemented for batches joining from 2019 which is revised for 2024 batch and is available on website of NMC at <https://www.nmc.org.in/> which you should get familiar with. You are also expected to undertake a certain degree of self-directed, experiential and collaborative learning. Logbooks are required to be maintained at all Phases of the course in addition to Practical / Clinical journals.

The teaching Schedule for entire year including time table, internal assessment and holidays will be displayed on our college website shortly which you should get familiar with. The eligibility criteria for final university examination as per internal assessment and attendance is also available on college website at <https://gmcmumbai.org/>.

You are expected to display a high standard of personal integrity and character at all times during your course in this institution. This Undergraduate programme is a full time course and it entails often working beyond college and hospital working hours.

Our faculty is extremely student friendly and will guide you at all times. We also have a student teacher mentor system for the benefit of our students.

Commencement of Academic Session

Please note that the academic session for your batch for the year 2024-25 will commence on Monday, 14th October 2024 with the Foundation Course in which we will make you conversant with various aspects of the medical profession and orient you towards the college and the course. Please note that it is compulsory for you to attend this foundation course and submit all written assignments/ reflections as specified by the faculty in log book.

Thereafter, the training programme and classes of I M.B.B.S. will commence. Please ensure that you possess all necessary personal equipment as required for your training.

The Proposed Academic Calendar for your batch is attached herewith.

Please pay heed to the following points of general nature when you join:

- 1) Working hours of the college and hospital are from 8.30 am to 4.30pm from Monday to Saturday.
- 2) As we are a tertiary care hospital with attached super specialty hospital, the college and hospital has made adequate arrangement to cater to any staff or student falling ill. Hopefully you are vaccinated for Hepatitis B.
- 3) You would have already communicated with hostel authorities for hostel accommodation in the campus if you desire. For Girls hostel contact Dr. Rupali Pawar :9967599330 and Boy's hostel contact Dr Vivek Karad : 9604937240. Strictly adhere to the regulations of the hostels at all times. Violation of regulation may lead to disciplinary action/ expulsion from the hostel.
- 4) Maintain Cordial relation with all concerned at your place of study and pay adequate compliments to all faculty and seniors as required from time to time.
- 5) This institution observes zero tolerance for issues pertaining to ragging and gender discrimination for which appropriate cells are functioning.
- 6) Mandatory attendance as specified by NMC is 75% for theory and 80% for practical/ clinical postings. The 25% / 20% absence allowed is for eventualities related to sickness and other emergencies. Please do not absent yourself from classes without justifiable reason. Students will be detained from appearing in final university examination if there is a shortfall in your achievement of attendance or internal assessment.
- 7) Please pay you fees on time and do not approach for concessions.

Students and Parents to report at 9.30 am on 14th October, Monday 2024 at “ Auditorium, Cama & Albless Hospital of Medical College for the Inauguration of Foundation course and Welcome address by the Dean, followed by Parent Teacher Meeting.

Enjoy your stay with us! Work hard and Wish you all the best in the days ahead!!!
