JOINING INSTRUCTIONS: MBBS COURSE 2025-26

Dear Parents & Students,

Warm greetings and hearty congratulations to you and your ward on securing admission into the MBBS Course at Government Medical College, Mumbai.

Om behalf of the Faculty and Staff at Government Medical COLLEGE, Mumbai, I Dr. Jitendra Sankpal, Dean welcome you to our Govt. Medical College, which is the first Government Medical college located in South Mumbai affiliated to Maharashtra University of Health Sciences (MUHS), Nashik.

The Government Medical College will be run at Gokuldas Tejpal (G.T.) Hospital and Cama & Albless Hospital premises in South Mumbai, which is a sprawling lush green beautiful campus with an attached State of Art tertiary care hospital which has an excellent learning ambience. Presently, we are admitting 50 students into MBBS, annually.

Our medical college, is located at Mahapalika Marg, Fort, Mumbai – 400001 (near Azad Maidan Police Stadium, Dhobi Talao, Chhtrapati Shivaji Terminus Area)

The college has spacious smart class rooms and Practical labs equipped with modern AV Aids. We have an excellent Library with text and reference books, national and international journals and digital library with digital learning resources and all other facilities to enable high quality medical education.

The college strictly follows the National Medical commission (NMC) regulation for Under graduate medical education in term of faculty requirement, teaching programs and assessment procedures. Plans are underway to start Post graduate (MD/MS) course in the next academic year.

The recognitions status and other information regarding the college is displayed on the college website at <https://gmcmumbai.org/> and all students and parents/guardians are advised to keep themselves updated with the college information which will be displayed from time to time on the website.

A new MBBS competency based medical education (CBME) curriculum has been implemented for batches joining from 2019, revised for batches 2024 onwards and is available on the NMC website at <https://www.nmc.org.in/> which you should get familiar with. Students are expected to undertake a certain degree of self-directed, experimental and collaborative learning during your course here. In addition to Practical/Clinical Journals, students are required to maintain Logbooks for all Phases of their MBBS course.

The teaching schedule for the entire year, which includes the time-table, internal assessment and holidays will be displayed on the college website. The eligibility criteria for the final university examination as per internal assessment and attendance is also available on the college website at <https://gmcmumbai.org/>.

Students of Government Medical College, Mumbai are expected to display a high degree of personal integrity and character at all times during your course in this institution. The undergraduate programme is a full-time course and it often entails working beyond college and hospital working hours.

Our faculty is extremely student friendly and will guide you at all times. We also have a student teacher mentor system for the benefit of our students.

COMMENCEMENT OF THE ACADEMIC SESSION

Please note that the academic session for your batch for the academic year 2025-26 will commence on 1st September 2025 with the Foundation course, in which we will get you acquainted with the various aspects of the medical profession and orient you towards the college and the course. Please note that it is compulsory for you to attend the foundation course and submit all written assignments/reflections as specified by the faculty in your log book.

Thereafter, the training programme and classes of I MBBS will commence. Please ensure that you possess all the necessary personal equipment as required for your training.

Please pay heed to the following points of general nature when you join:

1. Working hours of the college and hospital are from 8:30 AM to 4:30 PM from Monday to Saturday.
2. As we are a tertiary care hospital with an attached Super-specialty hospital, the college and hospital has made adequate arrangement to cater to any staff or student falling ill. Hopefully, you are vaccinated for Hepatitis B.
3. If you require hostel facilities please contact [Dr. Rupali Pawar: 9967599330](#) for Girls hostel and [Dr. Vivek Karad: 9604937240](#) for Boy's Hostel. Strictly adhere to the regulations of the hostel at all times. Violation of regulation may lead to disciplinary action/expulsion from the hostel.
4. Maintain cordial relation with all concerned at your place of study and pay adequate compliments to all faculty and seniors as required from time to time.
5. This institution observes zero tolerance for issues pertaining to ragging and gender discrimination for which appropriate cells are functioning.

6. Mandatory attendance as specified by NMC is 75% for theory and 80% for Practical/Clinical postings. The 25%/20% absence allowed is for eventualities related to sickness and other emergencies. Please do not remain absent yourself classes without justifiable reason. Students will be detained from appearing in final university examination if there is a shortfall in your achievement of attendance or internal assessment.
7. Please pay your fees on time and do not approach for concessions.

Students and parents t report at 09:30 AM ON 1ST September 2025, Monday at "Auditorium, Cama & Albless Hospital of MediCal College for the Inauguration of Foundation Course and Welcome address by the Dean followed by Parent teacher meeting.

Enjoy your stay with us! Work hard and wish you all the best in the days ahead!!!
